## Need a 2004 Calendar?

I know this is a bit late news, however we did publicize about it online...

We have a 12-month, 2004 calendar available for purchase online (if you are interested in purchasing it and do not have Internet access, please either visit your local library or see John, your President & Newsletter Editor).

It is \$15.95 plus S&H (from under \$2), and features a different image of nude men each month, with the picture being somewhat suitable for that time of year.

You can purchase it online at:  
<http://www.lulu.com/content/27748>

You can also find a link to it on our web page and on our brand-new store page at:  
<http://lband.beach-cities.com/store/>  
(There is one other item there so far, with more to come.)

## Free Membership, Part II

We are now, for a limited time, offering a **free membership** to any guy who will host an event between now and the end of April 2004. Any member will get a three-month extension of his membership under this offer, and a non-member will get a new membership, good for three months from the date you offer to host. –Alternatively, you may elect to receive the newsletter electronically (via e-mail only) and double this period to 6 months of free membership! (For paid current members, you may convert your current membership to electronic delivery and double your current membership period **PLUS** the 6 month extension or continue to have it delivered via US Mail, in print, for 3 months extra.)

If you've been reading our newsletter before, you know we are in need of guys to host events, and even small places can be used to host a limited size event. —Indoors or out (weather permitting the former), any type of event, including a pool or Jacuzzi party, movie night, potluck, game night, massage party, or whatever you can think of would be great – we just need a place to go to relax & enjoy ourselves!

If you think you live too far from Long Beach, keep in mind that we officially

consider the greater Long Beach area our "turf", including Lakewood, Bellflower, the South Bay area, & Western Orange County – in short, virtually anything nearby Long Beach.

If you are interested in hosting an event, please either e-mail, phone, FAX, or snail-mail us at one of the addresses on the last page.

## More Free Stuff, Part II

Or, should I say "free memberships, part III" ?

We are also offering free memberships of 6 months (e-mail delivery only), 3 months print, or ½ price on a paid membership if you would like to be a model and your images are used for our up-coming 2005 calendar(s).

Any guy that can act as a professional photographer, *with a high-res digital camera*, will, if his images are used, also receive either 1-year of free membership OR a free copy of the calendar featuring his images with a paid membership (new or renewal, but membership must be paid through at least 8 months for current members not wishing to renew early).

## Link of the Month

Great Outdoors of Orange County & Long Beach:

<http://www.greatoutdoors.org/oclb/>

This is an outdoor event (hiking, day trips, etc) group for the G/L/B/T community. I do not know that they host nude or C/O events, however you may like another social outlet. ▼

## What Happened to December?

If you are wondering what happened to the December issue of our newsletter, it kinda got skipped..

I had been going from one cold or flu bug to another the majority of the month (& some time prior), plus with the holidays and all, no one really seemed eager to host, so we kinda took a month off.

Members will find their memberships extended for that month's missing newsletter, as well as an extra little extension as our Christmas gift to you. ▼

## Who is this Celebrity Guy?

Last issue's celebrity was "*The Blue Lagoon*" (among others) star Christopher Atkins, as seen in the movie "*The Blue Lagoon*".

The answer to who is shown here will be in the next issue.

A hint: He finally had "*Faith*" enough to go "*Outside*" with his true lifestyle.

## Nudist Trivia Answer

It actually dates back to the ancient Hawaiian culture, where surfing was originally done completely nude (you can thank the early missionaries for their "corruption")...

The phrases have a literal meaning, being that a guy's testicles & scrotum "*hangs loose*" when you are relaxed, and is "*uptight*" when you are stressed out.

It's a bit of a visual mood indicator when you are not exerting yourself or are not aroused.

## Our Group's Purpose

Long Beach Area Nude Dudes (L'BAND) is a men's naturist/nudist social group. Our focus is as a loosely organized social club, not a sex/adult activity club. (Any sexual activities are at the discretion of the event's host.)

In addition to our membership fees (see left column), we may collect a donation of anywhere from \$0 to \$2 per member, first time guest, or brother club member (with proof) per event, and \$5.00 per non-member per event. –This does not necessarily take into consideration any additional donation for the host's expenses.

We are not a clothing-optional club, instead we ***require nudity***.

We are a private, not-for-profit club that accepts males of all ages (as long as you are at least age 18), nationalities, sexual orientations, and religions.

Guests, visitors from other clubs, and new members are ***always*** welcome!
