Volume 2, Issue 8 ▼ Aug./Sept. 2004

## Sorry!

I have been under the weather with the flu and laryngitis that just doesn't want to let go (for about a month now), so I hope you'll understand the delay in getting this issue out. -Hopefully I can get another out before September is over!

At least my computer should not be to blame anymore after this issue, as I've spent many days re-installing & configuring things after wiping out one hard drive and installing Windows XP Pro...

So far, my computer's been running fine, and WordPerfect 10's not taking 3-5 mins. to load like it used to! (Although, I seem to have found that Norton Anti-Virus [or another part of System Works] seems to have been part of the cause of the slowness.)

## Report on July 10<sup>th</sup> Hike

By Jim

(The photos on this page are of our hikers, mentioned below, on the trail, and at the trail camp.)

Four people, Barry, Chip, Eric, and Jim showed up for the hike in the Los Angeles Forest on July 10<sup>th</sup>. Two people, Barry and Jim, met in Long Beach and we picked up 2 others, Chip and Eric, at the entrance to the forest. We then drove up to Mount Gleason to the trail head.

Upon arriving at the trail head, we removed our clothes, gathered water bottles & lunch, and proceeded on the hike. -The weather was great! The trail was tree covered with occasional openings where we could enjoy the feel of the sun and a slight breeze on our bodies.

We enjoyed each others conversation while on the trail. After 2 miles, we came to an open area that went through chaparral on a trail that lead to Big Buck Trail Camp. This trial was a slight climb in the sun, which was a welcome change from the shaded trail we had been on. We sat on a bench at Big Buck Trail Camp and enjoyed lunch and more conversation.

After a rest we climbed the hill back to

the road where Chip's van was waiting to take us back to the trail head. After the hike, three of us went to a campground, which we had all to ourselves, and we played a couple of games of Bocci, which is an Italian version of Lawn Bowling. Barry and Eric soundly defeated the host in the game.

We were all disappointed when it finally came time to put our clothes on and head for home.

All in all, it was a great trip. I look forward to hosting another hike in a couple of months and hope some of you will join us!

### Next Newsletter Going to Press Soon!

I'm planning on getting the next issue out before the end of September, so if you would like to have an event at your place (or ???) Soon, please get me the details ASAP so we can publish it in our next newsletter.

Ditto applies if you'd like to send in something for printing in the next newsletter.

### Would YOU Like to Host A *Star Trek: Enterprise* Season Premier Party?

Friday, October 8, at 8pm marks the beginning of the new season for *Star Trek: Enterprise*, and I'm sure I'm not the only fan in the group, so would love to have (since I can't host) someone offer to host an event at his home that evening.

All you need is a TV with good reception on channel 13 (KCOP), and space to sit.

I'd suggest it be a pizza chip-in event, but it's your call if you host!

Please get in touch with me via any method on the last page ASAP if you are interested.

By the way, the host will earn 3 months printed or 6 months electronic newsletter delivery club membership for his effort.

## Who is this Celebrity Guy?

Issue #6's celebrity was Leonardo  
DiCaprio (source unknown).

The answer to who is shown here  
will be in the next issue.

A hint: In one TV show, he loved to  
fly helicopters.

## Something to Think About!

Why do people often say "*in the  
nude*", when one is not "*in*"  
anything, nor is "*nude*" a one-of-a-  
kind object or even an object at all  
(making "*the*" even more improper  
English).

## Need A 2005 Calendar?

We have one for sale!

Our 2005, similar to the 2004 one,  
is being published (on demand) by  
Lulu.com, and features a different

more nude males depicted each  
month. (Cover is above.)

The price is \$15.95 plus S&H (no  
tax, unless you have it delivered to  
NC), but if you want to buy a large  
quantity or want to commit to  
buying one and wait for a group  
order, let me know and I can  
arrange a discount.

A portion of the above price will be  
donated to the group.

## Our Group's Purpose

Long Beach Area Nude Dudes (L'BAND) is a men's naturist/nudist social group. Our focus is as a loosely organized social club, not a sex/adult activity club. (Any sexual activities are at the discretion of the event's host.)

In addition to our membership fees (see left column), we may collect a donation of anywhere from \$0 to \$2 per member, first time guest, or brother club member (with proof) per event, and \$5.00 per non-member per event. –This does not necessarily take into consideration any additional donation for the host's expenses.

We are not a clothing-optional club, instead we ***require nudity***.

We are a private, not-for-profit club that accepts males of all ages (as long as you are at least age 18), nationalities, sexual orientations, and religions.

Guests, visitors from other clubs, and new members are ***always*** welcome!
