Nude Dudes

Volume 2, Issue 9 ▼ Sept./Oct. 2004

Ooops, Again!

Hey guys, sorry this is getting to you late again... I had gotten laid off while I was ill, and had been looking for work furiously, then I found something that so far has taken **A LOT** of my “free time”.

However, it looks like I’ve just landed something **MUCH** better (which doesn’t require a 2.5-3 hour one-way commute [via bus]) – it’s much closer to home and has lots of benefits, too.

I expect to be able to get the next newsletter issue out within 3 weeks.

Can **You** Host an Event?

It’s that time of year again when most folks would only want to be nude indoors, so here’s the perfect chance for those without hot tubs or pools to host something and know they are not depriving anyone of valuable “sun time”.

We’ll gladly take any offer to host, no matter how small your place is, as long as it offers privacy, no females home (at least during that period of time), and while we’d prefer you live fairly close (say within 15 miles) of Long Beach, we’ll consider other locations as well.

You don’t need to have anything special, just say, seating for at least 6 guys, and pick something for us to do (for example, movie night, game night, potluck, pizza, or desert social, massage night, or whatever you fancy), and we’ll get together and do it at your place!

You really don’t need to worry about clean-up – we can make a point of asking guys attending to clean-up after themselves. We can also ask they not bring anything that you fear could stain a carpet, limit the size of the group, or any number of things to accommodate your needs & wants.

Most of our events are non-smoking, but we will make it a point to say the host allows indoor smoking and/or limit it to designated area(s), as you wish.

We can even ask guys to help furnish

needed items, like bringing folding chairs (if possible), paper/plastic plates and/or cups, etc.

If you have a male child at home, it shouldn’t bother the majority of us (I’ll make sure it’s announced, if necessary), especially if he’ll join us nude.

We’re not a sex/adult activity club, so we’re not looking for that either at your place – we just need a place to gather and generally socialize (along with whatever else), it just so happens that we don’t have hang-ups about clothing, and find it the ultimate way to relax! -Got squeamish roommates? Well, we’d even consider a clothing-**OPTIONAL** (*vs. nude mandatory*) to get them involved and used to the idea!

It would be really cool if someone had access to a private (few windows) gym or other place with any or all of the following: indoor (for Winter) pool and/or spa/Jacuzzi/hot tub, steam room, sauna, or even fitness equipment & (preferably open) shower facilities.

Even a Boy Scout camp or similar that has decent facilities in a secluded area and rents to groups for a weekend would be something fun to do as well. (Many of these camps are only used during Summer months by the organization.)

If you have an idea, can help, or even host, contact us at one of the methods on the back page. **-By the way, our 6-12 mos. free membership deal is still valid!!!**

Next Newsletter Going to Press Soon!

I'm planning on getting the next issue out before the end of October, so if you would like to have an event at your place (or ???) soon, please get me the details ASAP so we can publish it in our next newsletter.

Ditto applies if you'd like to send in something for printing in the next newsletter.

Would Anyone be Interested in SIG's?

"SIG" is "Special Interest Group" for short.

I know I'm a big Sci-Fi buff, and I've had one piercing that I want to have re-done sometime... These are just two possible examples of SIG's that might come about by finding other member's interests.

If you have an interest in forming one as a part of the group, or just even being a part of one, drop me a note at one of the contact methods on the back page.

We'd love to find more ways of having guys participate in the group as a whole, and I think this would be a great idea, given time.

So, what do you like to do, besides being nude?

Who is this Celebrity Guy?

Issue #8's celebrity was Jan-
Michael Vincent (of the TV series
"Airwolf"), from a 1974 film called
"Buster and Billie".

The answer to who is shown here
will be in the next issue.

A hint: In a semi-recent movie (or
2), his character **sounds** like he's
part machine, but he's not.

Something to Think About!

Why is it that women can bear their all in
a movie and have it rated only "R" at
worst, when a guy does the same and they
have to call it "NC-17" or "X"?

And why is it that a guy can go nude-
chested and it's rated "G", but when a
woman does it, it's "PG-13" at the least?

It's just another form of discrimination, is
all!

Our Group's Purpose

Long Beach Area Nude Dudes (L'BAND) is a men's naturist/nudist social group. Our focus is as a loosely organized social club, not a sex/adult activity club. (Any sexual activities are at the discretion of the event's host.)

In addition to our membership fees (see left column), we may collect a donation of anywhere from \$0 to \$2 per member, first time guest, or brother club member (with proof) per event, and \$5.00 per non-member per event. –This does not necessarily take into consideration any additional donation for the host's expenses.

We are not a clothing-optional club, instead we ***require nudity***.

We are a private, not-for-profit club that accepts males of all ages (as long as you are at least age 18), nationalities, sexual orientations, and religions.

Guests, visitors from other clubs, and new members are ***always*** welcome!
