## Fireside Chat

We have new phone numbers!

While our old ones still work (at least for now), the service we've been using has been going downhill fast... Many times the system is not alerting me or forwarding the voicemail messages, and other times people have said they left a message and it's no where to be found. (Can't access it via their web site or phone pick-up.)

So, we're using a new service (FYI: also free, as the one before was) for voicemail, except for the toll-free number.

Right now, the toll-free number is the only one we'll even think of using for faxing (the others have stopped either notifying us of faxes or simply don't store them), and the new service doesn't handle faxing – at least not for now.

If you're interested in helping out with these new numbers...

## B-MEN is (Still!) Looking for a Few Good Men...

...To help by being an online and/or phone contact person for the group.

If I wasn't clear last time, your own personal number will not be given out, unless you elect to leave a (discrete unless they say otherwise!) message for the person you've called back asking him to call you back. –You simply monitor your

e-mail for these voicemail messages and/or call the number and enter a PIN I'll provide to pick-up the messages.

In exchange for helping call and/or e-mail guys, you'll get a free membership (with electronic newsletters) for as long as you'll preform said duties for us.

We have a few hotline phone numbers as well as an e-mail address that you'd monitor, and return calls and/or reply to e-mailed questions about the group and help try to bring in new members. –Again, only give your number out if you need the person to call you back directly — you **CAN** have them call the same number and leave another message if you prefer!

We cannot offer you reimbursement for any phone costs, so we won't be asking you to make calls you have to pay for — if the caller is outside your local area, you'd refer the info to myself, who then may refer it on to someone who is local to the person (or who has a phone with unlimited calling of some kind).

You **MUST** be able to be contacted by myself online to stay in touch, and must respond to every note sent directly to you by myself, at least to let me know you received the note.

I'm looking for guy(s) with either unlimited calling or guys living in the following cities (or very close by) as we have local voicemail numbers in these areas:

- Long Beach/Lakewood
- Torrance/Carson/Redondo Beach

- Compton area
- Downey/Norwalk/Bellflower
- Huntington Beach
- Orange/Fullerton

If you're interested, please contact me via e-mail or the toll-free hotline (see last page).

## Membership Price Changes!

Beginning with this issue, membership rates will rise slightly for printed newsletters to \$17.50/year for the initial membership. Our electronic membership rates will remain at \$15/2 years for the initial membership.

For both membership plans, add \$2.50 extra for a partner or per roommate. (Maximum is 3 additional roommates at the same address.)

We're also announcing a price drop in the lifetime membership rate to \$150 per single & \$200 per couple/partners, which entitles you to electronic newsletters for the remainder of your lifetime (or of the longest surviving member of a couple/partnership — If you find a new partner, talk to us). ▼

### **Who is this Celebrity Guy?**

In the last issue, the celebrity of the month was Rupert Everett, an out-of-closet gay actor, shown from an unknown source.

The answer to who is shown here (in the right-most column) will be in the next issue.

A hint: Actually, do I even need to offer one? This guy's been in a lot of movies & TV shows, and I actually suspect this photo is a fake (just noticed he appears to be wearing a hat — who does that in the shower, or at least locker room when naked?!?)... But, we can dream anyway... Actually, I'd expect that with chest hair like that he'd have some matching leg hair

(so at least something visible!), but I see none here.

Bonus points to the guy who can tell me where the scene is really taken from!
